Lesson 5 – "Singing the Lord's Song in a Strange Land"

A Gem to Dwell On

This song[Exodus 15:1-16] and the great deliverance which it commemorates, made an impression never to be effaced from the memory of the Hebrew people. From age to age it was echoed by the prophets and singers of Israel, testifying that Jehovah is the strength and deliverance of those who trust in Him. That song does not belong to the Jewish people alone. It points forward to the destruction of all the foes of righteousness and the final victory of the Israel of God. PP 289
