Today's Gem

Peter had expressed the faith of the Twelve. Yet the opposition of the priests and rulers still troubled them greatly. They did not see their way clearly. Their early training, the teaching of the rabbis, the power of tradition still blocked their view of truth. Precious rays of light were shining on them, yet often they were like people groping among shadows. But on this day, the Holy Spirit rested on them in power. Beneath the appearance of humanity, they discerned the glory of the Son of God.
