Today's Gem

We are not required to defy authorities. Our words, whether spoken or written, should be carefully considered, lest we place ourselves on record as uttering that which would make us appear antagonistic to law and order. We are not to say or do anything that would necessarily close up our way. We are to go forward in Christ's name, advocating the truths committed to us. If we are forbidden by men to do this work, then we may say, as did the apostles, "Whether it be right in the sight of God to hearken unto you more than unto God, judge ye. For we cannot but speak the things which we have seen and heard." [Acts 4:19, 20]
