## *Today's Gem*

Grace can thrive only in the heart that is being constantly prepared for the precious seeds of truth. The thorns of sin will grow in any soil; they need no cultivation; but grace must be carefully cultivated. The briars and thorns are always ready to spring up, and the work of purification must advance continually. If the heart is not kept under the control of God, if the Holy Spirit does not work unceasingly to refine and ennoble the character, the old habits will reveal themselves in the life. Men may profess to believe the gospel; but unless they are sanctified by the gospel their profession is of no avail.
