Thought: We are in the great day of atonement, when our sins are, by confession and repentance, to go before hand to judgement. God does not now accept a tame, spiritless testimony from his ministers. The message for this time must be meat in due season to feed the church of God.

But Satan has been seeking gradually to rob this message of its power, that the people may not be prepared to stand in the day in the day of the Lord. 2SM 124.3
