## ***Today's Gem***

***The earth was dark through misapprehension of God. That the world might be brought back to God, Satan's deceptive power was to be broken. This could not be done by force. God desires only the service of love, and love cannot be won by force or authority. Only by love is love awakened. To know God is to love Him; His character must be manifested in contrast to that of Satan. This work only one Being could do. Only He who knew the height and depth of the love of God could make it known.***
