Lesson 11 – "Longing For God in Zion"

A Gem to Dwell On

The very ones whom God purposes to use as His instruments for a special work, Satan employs his utmost power to lead astray. He attacks us at our weak points, working through defects in the character to gain control of the whole man; and he knows that if these defects are cherished, he will succeed. But none need be overcome. Man is not left alone to conquer the power of evil by his own feeble efforts. Help is at hand and will be given to every soul who really desires it. Angels of God, that ascend and descend the ladder which Jacob saw in vision, will help every soul who will, to climb even to the highest heaven. PP 568
