Today's Gem

The life of Christ from His earliest years was a life of earnest activity. He lived not to please Himself. He was the Son of the infinite God, yet He worked at the carpenter's trade with His father Joseph. His trade was significant. He had come into the world as the character builder, and as such all His work was perfect. Into all His secular labor He brought the same perfection as into the characters He was transforming by His divine power. He is our pattern.
