Today's Gem

What a man is has greater influence than what he says. The quiet, consistent, godly life is a living epistle, known and read of all men. Holiness is not shaped from without or put on; it radiates from within. If goodness, purity, meekness, lowliness, and integrity dwell in the heart, they will shine forth in the character; and such a character is full of power. Not the instrument, but the great Worker in whose hand the instrument is used, receives the glory.

The heart filled with the Saviour's love, daily receives grace to impart. The life reveals the redeeming power of the truth.
