Today’s Thought:

“We are pressing on to the final conflict, and this is no time to compromise. It is no time to hide your colors. When the battle wages sore, let no one turn traitor. It is no time to lay down or conceal our weapons, and give Satan the advantage in the warfare. But unless you watch, and keep your garments unspotted from the world, you will not stand true to your Captain. It is no time for watchmen to slumber on the walls of Zion. Let them be wide-awake. Call to your fellow-watchmen, crying, "The morning cometh, and also the night." It is no time now to relax our efforts, to become tame and spiritless; no time to hide our light under a bushel, to speak smooth things, to prophesy deceit. Every power is to be employed for God. You are to maintain your allegiance, bearing testimony for God and for truth. Be not turned aside by any suggestion the world can make. We cannot afford to compromise. There is a living issue before us, of vital importance to the remnant people of God, to the very close of this earth's history; for eternal interests are involved. On the very eve of the crisis, it is no time to be found with an evil heart of unbelief, departing from the living God. “
